Resignations and Subsidies:

- Resignations from the Band must be in writing and are effective the end of the month in which the written resignation is received by the Treasurer or Bandmaster.
- Resignations prior to March 31 2011 will provide a refund of a pro-rata amount of the Registration Fees, less \$100.
- Resignations after March 31 2011 will not receive any refund. The fee is applied against year-long expenses; budgeting is based largely on the number of students registered at the beginning of the program.
- If someone is unable to meet the above fee structure and needs financial assistance, please contact the bandmaster or any NVYB Board director in person or via info@nvyb.com or 604-980-5823 for a confidential consideration of alternate arrangements. We want everyone to have the opportunity to play.
